

We all need more friends!

Founded in 1914, the Friends of Hoffman Homes is an organization dedicated to serving children. For almost a century, the Friends have planned events and special programs to supplement the lives of children who call Hoffman home.

You have an opportunity to be a true friend to children with mental illness when you become a member of the Friends of Hoffman Homes.

Membership is open to all men and women and dues are a minimum annual contribution of \$2 per person. All members are encouraged to attend the Spring and Fall General Membership Meeting and Luncheon (scheduled the first Thursday in April and November). In addition, as a Friends member, you will receive a quarterly newsletter keeping you up to date on campus events.

- Yes, I would like to be a Friend for Hoffman Homes!** Enclosed is my membership fee (minimum suggested donation \$2/person).

Name: _____

Address: _____

City: _____ State: _____ Zip: _____
